

# BUILDINGS FOR GARDENS: Advanced solutions for home-office, and garden.

CONSTRUCTED AND READY TO OCCUPY WITHIN A DAY • **24 HOURS**

Danzer Garden Office buildings provide superb inspirational spaces, and fantastic value. Take advantage of your own garden, or indeed any space around your home to create a convenient and secure place in perhaps one of your most appreciated home assets.

**DANZER**

Flexible | Adaptable  
Dependable

The Danzer range of garden office buildings is a perfect and convenient sustainable solution for what has become a revolution in home improvement and enhancement. Our garden offices are fully insulated, so no matter what the weather, you can be sure of comfort in your new garden office.

Danzer Garden Offices are modular panel construction, pre-built in our factory so you will discover that they cause minimal disruption during installation. We perform some, or all of the site preparation and service connections if you require them.

Call us 08000 350 443 to discover how you could be working and/or playing in your new garden office within 24 hours.
